

Dear Prospective Dental Hygiene Student:

Thank you for your interest in the Dental Hygiene Program at Southern Illinois University Carbondale. The Dental Hygiene Program is nationally recognized for both quality of faculty and graduates.

A variety of circumstances, including rules of accreditation, limitations of facilities, and faculty-student ratio make it necessary to limit enrollment in the program. Therefore, a selective admission procedure must be carefully followed to assure each student a fair and accurate evaluation. Approximately 36 students are admitted to begin the professional sequence each fall. Applications are evaluated using criteria which indicate the potential for successful performance in the Dental Hygiene program. Only completed files of qualified students will be evaluated, so please follow the procedures accurately and in a timely fashion.

All prospective dental hygiene students must:

1. Be admitted to SIUC in good academic standing prior to any materials being considered;
2. Have a minimum college cumulative GPA of 2.0 (as calculated by SIUC) at the time of application and entry into the program;
3. Have a completed dental hygiene application packet on file.

Please remember these are minimum requirements and do not guarantee acceptance into the program.

A limited number of students are accepted as freshmen right out of high school. Acceptance is based on GPA and ACT scores.

In order to enter the professional sequence at the sophomore level, you must have completed all of the following courses:

ENG 101 and 102-English Composition; MATH 108-College Algebra or Math 113; FN 101- Food and Nutrition; PSYC 102-Introduction to Psychology; SOC 108-Introduction to Sociology; AH 241-Physiology and Human Anatomy (must cover all 9 body systems); CHEM 140a Inorganic Chemistry; SPCM 101 Speech Communication; MICR 201-Elementary Microbiology.

The student is responsible for making certain all procedures in the application process have been completed. If you have any questions or concerns about the program or the admission process, please contact me.

Sincerely,

Dwayne G. Summers, D.M.D.

*DH417, DH 441, and DH 401 may be taken either fall or spring semester of the senior year, however, DH415 and DH442 must be taken concurrently.

Students may enter the Bachelor of Science in Dental Hygiene program as SIUC freshmen, as continuing SIUC students, as transfer students with the required 35 hours in the freshman year completed, or as licensed dental hygienists seeking degree completion. A few select students will be accepted as freshmen in the Dental Hygiene program. Continuing or transfer students are accepted to begin the professional sequence in the fall of their sophomore year upon successful completion of all of the courses required during the freshman year. Courses for the freshman year may be completed at SIUC or may be transferred from the college of choice.

Students with an Associate of Applied Science in Dental Hygiene, who are applying for degree completion, will be evaluated on an individual basis.

APPLICATION PROCEDURES

Dental Hygiene Southern Illinois University Carbondale

This sheet has been designed to assist the SIUC student in applying to Dental Hygiene at SIUC. Follow the instructions in each column and mark (☒) when the step has been completed. When each step has been marked, your file should be complete. It is advisable, however, to confirm that all materials have been received by the Dental Hygiene Admissions Committee. This can be done by calling the Admissions Clerk at (618) 453-8869.

Mark When Step Completed	Procedure	Instruction	Return to:
<input type="checkbox"/>	STEP 1 Submit Dental Hygiene application material.	Although Admissions and Records and your current academic unit may have some of these materials, it is your responsibility to submit the following to the Dental Hygiene program: <ol style="list-style-type: none"> 1. Dental Hygiene application 2. Copy of ACT or SAT scores 3. High school transcript 4. Transcripts from college coursework – including Fall2009 5. Spring 2010 Class Schedule 	Donna Colwell, Admissions Clerk School of Allied Health Mail Code 6615 College of Applied Sciences and Arts Southern Illinois University Carbondale, IL 62901
<input type="checkbox"/>	STEP 2 Return sheet that verifies observation of a dental hygienist.	Observe a practicing dental hygienist .	Donna Colwell, Admissions Clerk School of Allied Health Mail Code 6615 College of Applied Sciences and Arts Southern Illinois University Carbondale, IL 62901
<input type="checkbox"/>	STEP 3 If entering the professional sequence as a sophomore, complete the required freshman year courses.	See Page 2	Donna Colwell, Admissions Clerk School of Allied Health Mail Code 6615 College of Applied Sciences and Arts Southern Illinois University Carbondale, IL 62901
<input type="checkbox"/>	STEP 4 Submit your Spring 2009 High School and/or College grades <u>immediately</u> upon completion of the semester.		

Important Note: Your current status at SIUC is Dental Hygiene applicant. This is not a major but merely a pool from which you are eligible to apply for the major. If you are not selected for admission to Dental Hygiene, you must request admission to another major for which you are eligible or have your admission to SIUC withdrawn. If you are not selected, you will be provided information on how to accomplish this change.

CRITERIA FOR EVALUATION OF APPLICATION FILES

The application and selection process for Dental Hygiene students is done in order to identify those applicants who will most likely succeed academically in completing the required course of study.

The Dental Hygiene Admissions Committee evaluates applicants by reviewing ACT scores, number of math and science courses taken in high school and college (and the grades received in those courses), and college credit earned (and the GPA for those credits). Previous health-related work experience, observation of a dental hygienist, and experience as a dental auxiliary are considered as well.

The Admissions Committee will begin review of **completed** applications on February 1, 2010. Late Application will be reviewed at a later date:

1. Apply to SIUC by December 1.
2. Be admitted to SIUC by December 31.
3. Notify your secondary institution that your final official transcript should be forwarded to SIUC as soon as possible after the completion of your December coursework.

Since you can only be evaluated on the contents of your file, it is important for you to send updated transcripts as you complete college coursework.

If you are a continuing SIUC student or a transfer student entering the professional sequence for the Bachelor of Science in Dental Hygiene: Required courses do not need to be completed prior to submitting the application. Courses must be completed prior to entering the professional sequence in the fall of your sophomore year.

The following items are used during the evaluation process:

Dental Hygiene Application
ACT or SAT scores
High School Transcripts
College Transcripts
Science and Math Grades

MINIMUM STANDARDS FOR APPLICANTS

1. Applications will not be accepted more than one year in advance.
2. As a continuing SIUC student, you must be in good academic standing.
3. You must have a minimum college cumulative GPA of 2.0 (as calculated by SIUC) at the time of application **and** entry into Dental Hygiene at SIUC.

Dear Colleague:

The Dental Hygiene Admissions Committee at Southern Illinois University Carbondale requests each applicant observe a dental hygienist, **not** a dentist, in practice as part of the application procedures. The purpose of this observation is to help prospective students more fully comprehend the role of a dental hygienist before deciding to pursue a career as a dental hygienist.

Your cooperation in completing this form for the observing applicant is sincerely appreciated. It will be placed in the prospective student's application file and be kept as confidential information.

Dwayne G. Summers, D.M.D.

ESTIMATED COST TO THE DENTAL HYGIENE STUDENT

Tuition and Fees: See the *Southern Illinois University Carbondale Bulletin* (Undergraduate Catalog).

Room and Board: Dependent upon type of housing.

Dental Hygiene Mandatory Expenses: (approximate)

Sophomore Year (First Year of Professional Sequence) - Fall and Spring

Textbooks	\$ 750.00
Instruments and Supplies.....	2500.00
Dues: Student American Dental Hygienists Association (SADHA).....	45.00
Hepatitis Vaccine.....	150.00
Professional Meetings	50.00
Clinic Attire.....	300.00
Clinic Lab Fees.....	190.00
Estimated Total.....	\$ 4085.00

Junior Year (Second Year) - Fall and Spring

Textbooks	\$ 500.00
Junior Instrument Kit.....	200.00
Clinic Lab Fees.....	225.00
Supplies	250.00
SADHA Dues	45.00
Extramural Assignments	100.00
Professional Meetings	50.00
Estimated Total.....	\$ 1445.00

Senior Year (Third Year) - Fall and Spring

Textbooks	\$ 275.00
Clinic Lab Fees.....	225.00
SADHA Dues	45.00
Supplies	200.00
Class Pin and Photo.....	35.00
Professional Meetings	50.00
Extramural Assignments (Hotel and transportation).....	150.00
National Board Exam.....	140.00
*Northeast Regional Board Exam.....	850.00
*Central Regional Dental Testing Service Exam.....	825.00
Estimated Total.....	\$ 2895.00

* Students may take one or both of these regional exams

Employment as a dental hygienist is dependent upon completing a degree program in Dental Hygiene, attaining a passing score on both a National Board Examination and a State or Regional Board Examination, and filing appropriate licensure applications. These examinations and the licensing process result in additional expenses of approximately \$800 to \$900 and are determined by the licensing agencies. These are not affiliated with any dental hygiene program but are an expense of all dental hygiene professionals. The student will have to pay these during the last semester of the program.

NOTE: All of the above costs are approximate and subject to change at any time. The Dental Hygiene student should have planned for meeting these financial obligations before entering Dental Hygiene. Payment for these items will be due approximately the first week of each fall semester.
